

How to Send an E-Fax with Crosswind VoIP

E-Mail Address to enter on the To line:

efax@crosswindvoip.net

In the Subject, enter the 11 digit fax number:

Ex: 16315557438

Leave email body blank

Attached PDF file that you want to fax.
Note: Only PDF file type can be attached.

You can attach more than 1 PDF to the email to fax. For example, the first PDF can be the cover page and the second your fax.

If you need assistance, please contact Crosswind VoIP Support by emailing support@crosswindsupport.com or by calling (888) 920-5685
